

Black Weekender's Guide

Los Angeles

Introduction

Airbnb's Black employee resource group, known as Black@, has collected some of the most celebrated Black-owned, operated, and managed businesses recommended by our Los Angeles Host community to proudly feature in the Black Weekender's Guide: Los Angeles Edition.

By sharing these local cafés, restaurants, and shops, our goal is to help visitors and locals alike experience areas beyond the tourist hotspots. In a region with as much history and culture as Los Angeles, the Black Weekender's Guide provides just a snapshot of some of the businesses to start exploring. We hope you use this guide to discover (or rediscover) the inspiring and broad spectrum of Black-owned businesses across Los Angeles.
